Interdisciplinary Teams and Home and Community-Based Services: A PACE Model Explored

Interdisciplinary (IDT) team work is increasingly prevalent, supported by policies and practices that bring care closer to the patient and challenges professional boundaries. Utilizing multiple disciplines in healthcare delivery will optimize the care, reduce costs and improve outcomes. Learn about the IDT approach PACE programs use to integrate care and explore options to implement in your agency or practice.

Tuesday, September 24
8:30 a.m. - 12:30 p.m.
Legacy Plaza, Conf. Room A & B
