What is CIAT?

CIAT offers in-depth and up-to-date information for health, behavioral health, and social services professionals who serve older adults. Topics are presented in three (3) one-day blocks: Government Programs, Resources for Seniors and Caregivers, and Ethics and Alzheimer's Communication Strategies. Blocks are arranged so the information builds throughout the series. You are welcome to attend all three days for a total of 18 hours of CEUs, or you can choose to attend individual days.

The three-part series is priced at \$239, while each individual day is priced separately at \$89. Early bird pricing of \$199 (paid before October 1) is for the entire three-workshop package. Reservations are required. Sign up online at www.LIFEseniorservices.org/CEUs or call (918) 664-9000, ext. 1081. Questions? Call Carol Carter at (918) 664-9000, ext. 1219.
